**UNITED STATES DISTRICT COURT  
CENTRAL DISTRICT OF CALIFORNIA**

**IN RE USC STUDENT HEALTH  
CENTER LITIGATION**

No. 2:18-cv-04258-SVW

[consolidated with No. 2:18-cv-04940-SVW-GJS, No. 2:18-cv-05010-SVW-GJS, No. 2:18-cv-05125-SVW-GJS, and No. 2:18-cv-06115-SVW-GJS]

**[PROPOSED] ORDER GRANTING  
PLAINTIFFS' RENEWED MOTION  
FOR PRELIMINARY SETTLEMENT  
APPROVAL AND TO DIRECT CLASS  
NOTICE**

Date: June 3, 2019  
Time: 1:30 p.m.  
Dept: Courtroom 10A  
Judge: Hon. Stephen V. Wilson

1 This matter is before the Court on Plaintiffs’ renewed motion for preliminary  
2 settlement approval and to direct notice. Plaintiffs, individually and on behalf of the  
3 proposed settlement class, and Defendants have entered into an Amended Settlement  
4 Agreement (“Settlement”) that, if approved, would resolve this litigation.

5 Having considered the motion, the Amended Settlement Agreement together with  
6 all exhibits and attachments thereto, the record in this matter, and the briefs and  
7 arguments of counsel, IT IS HEREBY ORDERED as follows:

8 1. Unless otherwise defined herein, all capitalized terms shall have the same  
9 meaning ascribed to them in the Amended Settlement Agreement.

10 2. The Court has jurisdiction over this litigation, Plaintiffs, Defendants, and  
11 Settlement Class Members, and any party to any agreement that is part of or related to the  
12 Amended Settlement Agreement.

13 **PRELIMINARY APPROVAL**

14 3. The Court has reviewed the terms of the proposed Amended Settlement  
15 Agreement, the exhibits and attachments thereto, Plaintiffs’ motion papers and briefs, and  
16 the declarations submitted in support of the motion. Based on its review of these papers,  
17 the Court finds that the Amended Settlement Agreement appears to be the result of  
18 serious, informed, non-collusive negotiations conducted with the assistance of former  
19 United States District Judge Layn R. Phillips.

20 4. The Settlement does not improperly grant preferential treatment to any  
21 individual or segment of the Settlement Class; does not exhibit any signs of collusion,  
22 explicit or subtle; and falls within the range of possible approval as fair, reasonable, and  
23 adequate and thus is likely to gain final approval under Federal Rule of Civil Procedure  
24 23(e)(2).

25 5. The Court therefore GRANTS preliminary approval of the Settlement.

1           **PRELIMINARY FINDINGS ON SETTLEMENT CLASS CERTIFICATION**

2           6.       The Court finds that it will likely be able to certify the following Settlement  
3 Class for purposes of judgment on the proposed Settlement:

4                   All women who were seen for treatment by Dr. George M. Tyndall at the  
5 University of Southern California student health center during the period  
6 from August 14, 1989 to June 21, 2016 (a) for Women’s Health Issues, or  
7 (b) whose treatment included an examination by him of her breast or genital  
8 areas, or (c) whose treatment included the taking of photographs or  
9 videotapes of her unclothed or partially clothed body.

10  
11           7.       The Court preliminarily finds, for settlement purposes only, that the  
12 requirements of Rule 23(a) are satisfied.

13           8.       Rule 23(a)(1) is satisfied because the class consists of approximately 14,000  
14 to 17,000 women, whose identities are ascertainable through USC’s records or through  
15 self-identification. Rule 23(a)(2) is satisfied because there are common issues—  
16 Tyndall’s alleged misconduct toward female patients at the USC student health center,  
17 and USC’s alleged failure to terminate or otherwise discipline him—are at the core of all  
18 claims.

19           9.       The Court further finds that the Class Representatives’ claims are typical of  
20 those of Settlement Class Members and that the Class Representatives will fairly and  
21 adequately protect the interests of the Settlement Class; therefore Rule 23 (a)(3) and (4)  
22 are satisfied.

23           10.      Additionally, the Court preliminarily finds, for settlement purposes only,  
24 that the requirements of Rule 23(b)(3) are satisfied: the questions of law or fact common  
25 to the Settlement Class predominate over individual questions, and a class action is  
26 superior to other available methods for the fair and efficient adjudication of this  
27 controversy.

1 11. The Court hereby appoints as Class Representatives: Plaintiffs Jane Doe  
2 R.B., Jane Doe A.T., Jane Doe J.L., Jane Doe M.S., Shannon O’Conner, Jane Doe L.K.,  
3 Jane Doe 5, Jane Doe M.V., Jane Doe K.M., Jane Doe A.S., Jane Doe A.F., Joyce  
4 Sutedja, Jane Doe M.G., Jane Doe D.D., Jane Doe M.D., Jane Doe A.D., Jane Doe K.Y.,  
5 Meggie Kwait, Jane Doe M.M., Jane Doe P.A., Jane Doe S.A., Jane Doe L.R., Jane Doe  
6 R.K., Jane Doe H.R., Jane Doe 1HB, Jane Doe J.P., Jane Doe 1LC, Jane Doe C.N., Jane  
7 Doe J.L., Vanessa Carlisle, Jane Doe J.C., Jane Doe F.M., Jane Doe J.K., Jane Doe C.L.,  
8 Jane Doe S.R., Jane Doe K.P., Jane Doe 2, Betsayda Aceituno, Jane Doe D.C., Jane Doe  
9 N.K., Jane Doe C.C., Jane Doe 4, Jane Doe C.B., Jane Doe 3, Jane Doe J.W., Mehrnaz  
10 Mohammadi, Jane Doe A.N., Jane Doe L.Y., Jane Doe A.H., and Elisabeth Treadway.

11 12. If for any reason the Court does not finally approve the Settlement, or if the  
12 Effective Date does not occur, the preliminary certification findings shall be deemed null  
13 and void without further action of the Court or the parties. In such circumstances each  
14 party shall retain all of its respective currently existing rights to seek or to object to the  
15 certification of this action as a class action under Fed. R. Civ. P. 23.

16 **NOTICE AND ADMINISTRATION**

17 13. The Court hereby designates JND Legal Administration (“JND”) as Claims  
18 Administrator.

19 14. The Court finds that giving Class Members notice of the Settlement is  
20 justified under Rule 23(e)(1) because, as described above, the Court will likely be able to:  
21 approve the Settlement under Rule 23(e)(2); and certify the Settlement Class for purposes  
22 of judgment.

23 15. The Court finds that the proposed Notice satisfies the requirements of due  
24 process and Federal Rule of Civil Procedure 23 and provides the best notice practicable  
25 under the circumstances. The Notice and plan for its dissemination are reasonably  
26 calculated to apprise Class Members of the nature of this litigation, the scope of the  
27 Settlement Class, a summary of the class claims, that a Class Member may enter an  
28

1 appearance through an attorney, that the Court will grant timely exclusion requests, the  
2 time and manner for requesting exclusion, and the binding effect of final approval.

3 16. The Court therefore approves the Notice and directs the parties and the  
4 Claims Administrator to provide notice pursuant to the terms of the Amended Settlement  
5 Agreement and this Order.

6 **EXCLUSIONS AND OBJECTIONS**

7 17. Class Members who wish to opt-out and exclude themselves from the  
8 Settlement may do so by notifying the Claims Administrator in writing postmarked no  
9 later than \_\_\_\_\_, 2019.

10 18. To be valid, each request for exclusion must:

- 11 • Include the Class Member's full name, address, and telephone number;  
12 • Include the statement: "I want to be excluded from *In re USC Student*  
13 *Health Center Litigation*, No. 2:18-cv-04258-SVW (C.D. Cal.), and  
14 understand that by excluding myself, I will not be able to get any money  
15 or benefits from the settlement" or substantially similar clear and  
16 unambiguous language;  
17 • Include the Class Member's signature.  
18 • Be mailed to the Claims Administrator at this address:  
19 USC Student Health Center Settlement  
20 c/o JND Legal Administration  
21 P.O. Box 91235  
22 Seattle, WA 98111-9335

23 19. Pursuant to section 3.6 of the Settlement, if a Class Member's request for  
24 exclusion is materially defective as to the requirements listed above (and detailed in the  
25 Notice), the Claims Administrator will send the Class Member a letter advising of the  
26 defect(s) and give the Class Member an opportunity to cure. If a Class Member fails to  
27 cure the request for exclusion, the Claims Administrator will have no further obligation to  
28 give notice of a need to cure.

1           20. All Class Members who do not opt out and exclude themselves from the  
2 Settlement Class shall be bound by the terms of the Settlement upon entry of a final  
3 approval order and judgment.

4           21. Settlement Class Members who wish to object to the Settlement may do so  
5 in a written submission to the Court.

6           22. A written objection must:

- 7           • Include the Settlement Class Member's name, address, and telephone  
8           number;
- 9           • Clearly identify the master case name and number (*In re USC Student*  
10           *Health Center Litigation*, No. 2:18-cv-04258-SVW (C.D. Cal.));
- 11           • State whether the objections applies only to the objector, to a specific  
12           subset of the class, or to the entire class, and state with specificity the  
13           grounds for the objection;
- 14           • State whether the Settlement Class Member intends to personally appear  
15           and/or testify at the Final Approval hearing;
- 16           • Include the name and contact information of any and all attorneys  
17           representing, advising, or assisting the Settlement Class Member,  
18           including any counsel who may seek compensation for any reason related  
19           to the Settlement Class Member's objection or comment;
- 20           • State whether any attorney will appear on the Settlement Class Member's  
21           behalf at the Final Approval hearing, and if so, the identity of that  
22           attorney;
- 23           • Be submitted to the Court either by mailing to:  
24           Clerk, United States District Court for the Central District of California,  
25           First Street Courthouse, 350 W. 1st Street, Court, Los Angeles,  
26           California 90012, or by filing in person at any location of the United  
27           States District Court for the Central District of California.

1           23. Any Settlement Class Member who does not timely submit a written  
2 objection in accordance with the procedures listed above (and detailed in the Notice),  
3 shall be deemed to have waived any objection, shall not be permitted to object to the  
4 Settlement, and shall be precluded from seeking any review of the Amended Settlement  
5 Agreement and/or the final approval order and judgment by appeal or other means.

6                           **FINAL APPROVAL AND HEARING SCHEDULE**

7           24. The Court will hold a Final Approval hearing on Monday, November 11,  
8 2019 at \_\_\_\_ [a.m. / p.m.] in Courtroom 10A, 10th Floor of the First Street Courthouse,  
9 350 W. 1st Street, Los Angeles, California 90012. The Court may continue the date of  
10 the Final Approval hearing without further notice to Settlement Class Members.  
11 Settlement Class Members should check the Settlement website or the Court's online  
12 calendar for the date of the Final Approval hearing.

13           25. At the Final Approval hearing, the Court will consider: whether the  
14 Settlement is fair, reasonable, and adequate and should be granted final approval; whether  
15 the Settlement Class should be finally certified; whether a final judgment should be  
16 entered; and any other matters the Court may deem appropriate.

17           26. If the settlement is finally approved, Class Counsel will apply for an award  
18 of attorneys' fees, reimbursement of expenses, and service payments to Class  
19 Representatives after final approval and implementation of the claims procedure. Class  
20 Counsel's request for attorneys' fees and reimbursement of expenses may not exceed \$25  
21 million. All attorneys' fees and expenses will be paid separately by Defendants, in  
22 addition to and without any reduction of the Settlement Fund. Any service awards the  
23 Court approves will be paid from the Settlement Fund.

24           27. The Notice informs Class Members that Class Counsel's motion for  
25 attorneys' fees, expenses, and service payments will be posted on the settlement website  
26 as soon as it is filed. Settlement Class Members will have the opportunity to object to the  
27 motion. The Court will then consider the motion.

28
